

# Contact Tracing and Affiliate Notification Program

All COVID-19 students, staff, and faculty who have been in contact with a confirmed COVID-19 case from 2022 will receive an email to their AU email account from the Affiliate Notification Team.

If you do not receive an email from the Affiliate Notification Team, you must report your contact with a confirmed COVID-19 case to the AU Health Center.

If you do not receive an email from the Affiliate Notification Team, you must report your contact with a confirmed COVID-19 case to the AU Health Center.

Contact tracing is a key component of our COVID-19 response. We encourage you to help us track and manage the spread of COVID-19 by reporting your contact with a confirmed COVID-19 case.
